Concept

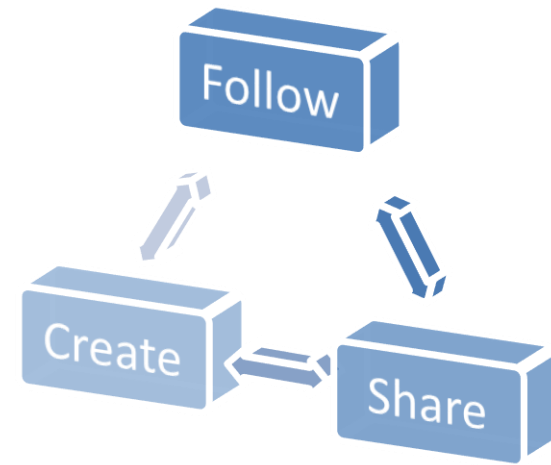

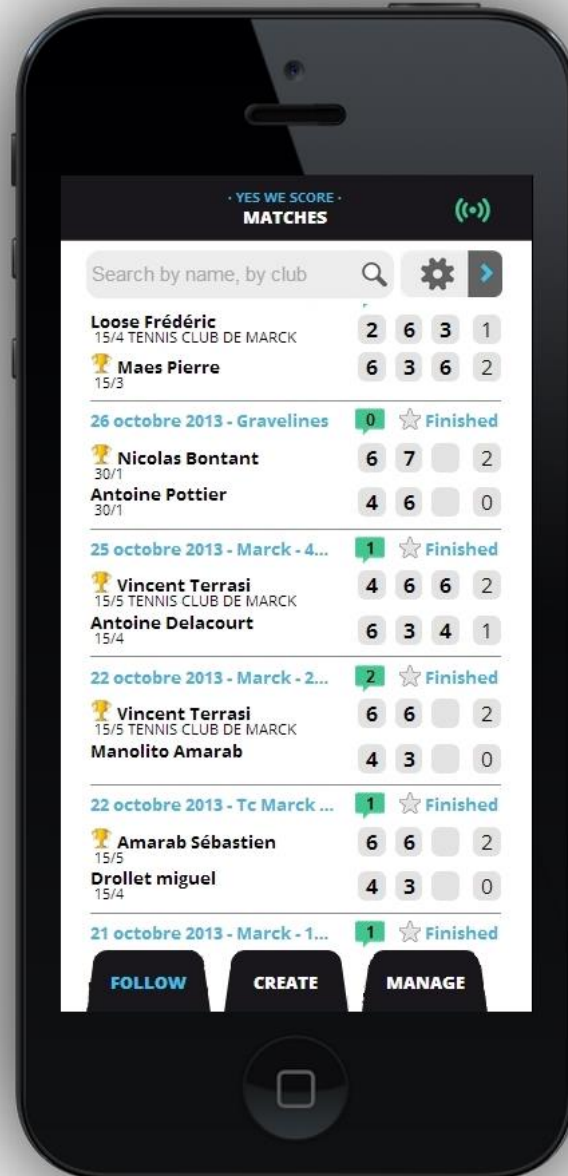

YesWeScore allows you to quickly share sport scores

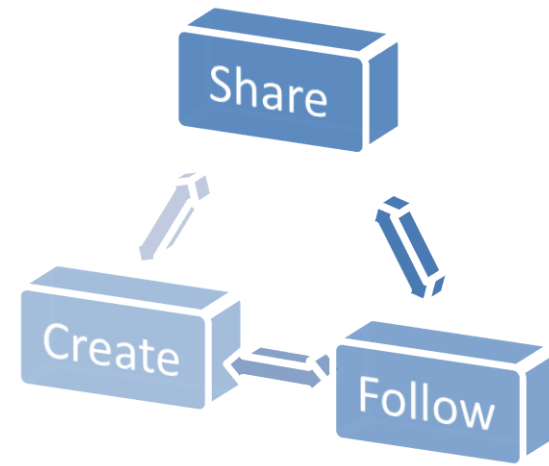

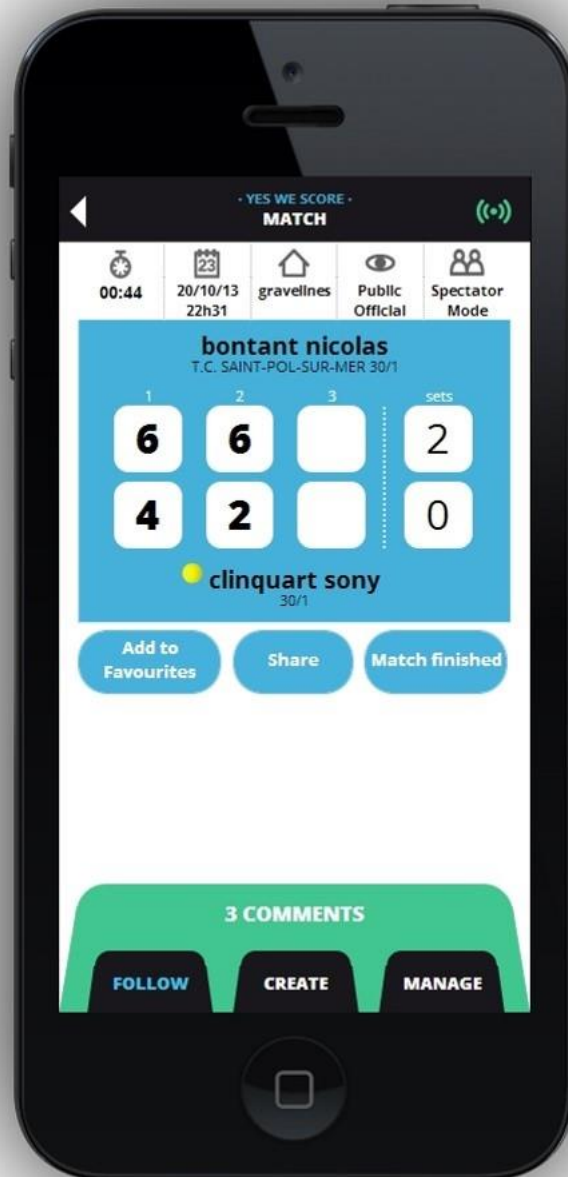

- Who is interested?
 - Players
 - Clubs
 - Leagues
 - Sports Federations
 - Friends, Family

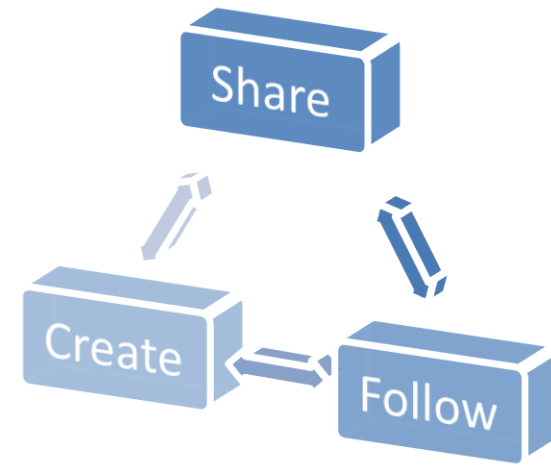

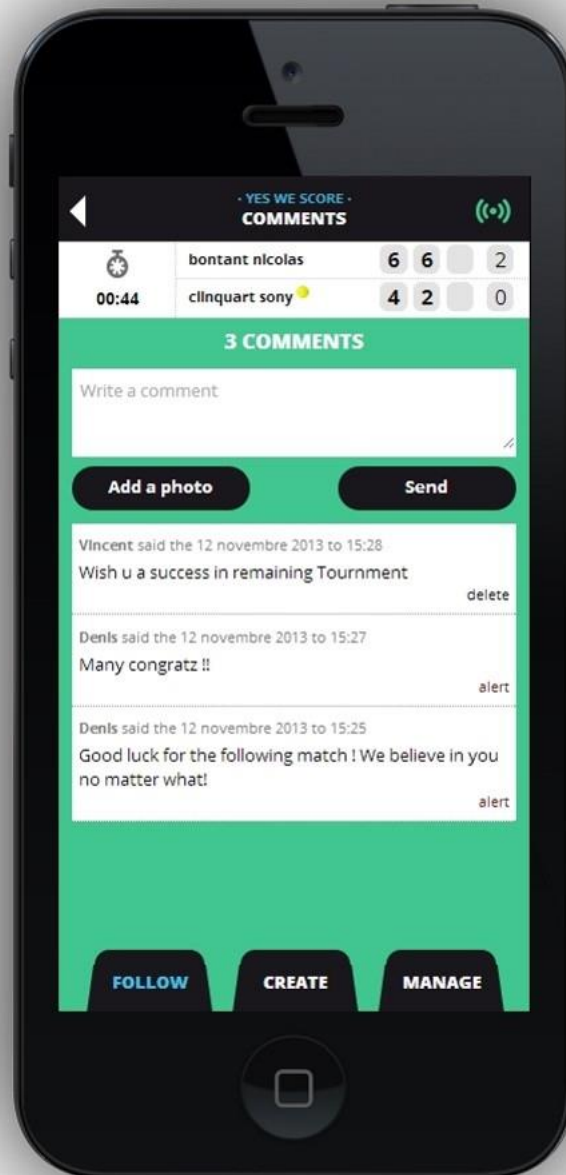

The smartphone screen shows the 'ADD MATCH' interface. At the top, a black header bar contains a back arrow, the text '• YES WE SCORE •', and a status icon. Below this, the title 'ADD MATCH' is centered. The main content area has a light blue background. It features two team sections: 'Team 1' and 'Team 2'. 'Team 1' has two player slots: 'Player 1' with a text input containing 'Vincent' and an 'Other' button, and 'Player 2' with a text input containing 'Player 2' and a 'More' button. 'Team 2' has two player slots: 'Player 1' with a text input containing 'Player 3' and 'Player 2' with a text input containing 'Player 4'. Between the team sections are two radio buttons: 'Simple' (selected) and 'Double'. At the bottom of the screen is a white bar with three buttons: 'FOLLOW', 'CREATE' (highlighted in blue), and 'MANAGE'. A 'SAVE' button is located above the bottom bar.

YesWeScore Ethics

Equality

All federations must have the same tools regardless of the number of players.

Simplicity

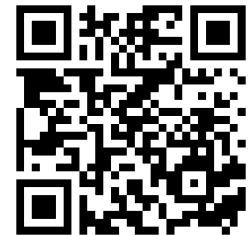

Intuitive accessibility on all terminals.

Unity

Highlighting sports and community life.

You can test

YesWeScore allows you to quickly share sport scores

Thanks
